

# Contact Evaluation Policy

Contact evaluations are not included in a comprehensive eye exam.

This is a separate exam performed by the doctor and our staff during regular routine visit. The fees associated with the evaluation are in addition to the comprehensive exam fees/copays. When patients opt to have a contact evaluation during the scheduled appointment, refer to the following for prices.

Spherical Contact Evaluation Established patient: \$65 fee

Spherical Contact Evaluation New patient: \$75 fee

Toric Contact Evaluation Established patient: \$65 fee

Toric Contact Evaluation New patient: \$75 fee

Multifocal Contact Evaluation Established patient: \$80 fee

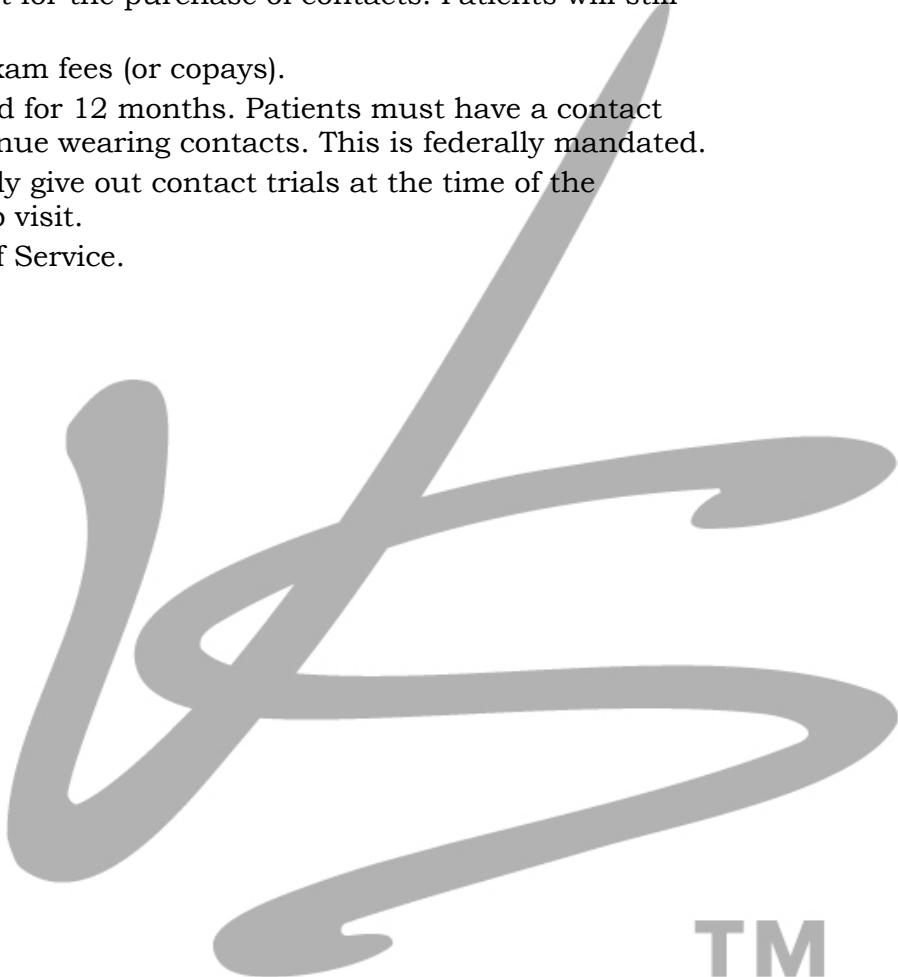

Multifocal Contact Evaluation New patient: \$105 fee

Gas Perm & High Toric Evaluation Established/New patient: \$95

Specialty Contact Evaluation Established/New: \$145 fee

Medically Necessary Contact Evaluation Established/New: \$500 fee

- These fees are for services, not for the purchase of contacts. Patients will still need to purchase a supply.
- These fees are added to the exam fees (or copays).
- Contact prescriptions are valid for 12 months. Patients must have a contact evaluation every year to continue wearing contacts. This is federally mandated.
- Gentilly Vision Source will only give out contact trials at the time of the evaluation or during follow up visit.
- All fees are due on the Date of Service.
